

THREE WAYS TO CARE

Small ways to make a huge impact

DONATE

When you donate to DSCC / KSC, we can provide services and programs seniors need to live independently. Giving also helps us fund new services that benefit seniors.

ONE TIME GIFT

Donate once anyway you can at a level that you can

RECURRING GIFT

Set up automatic deduction to help out all year long

GET INVOLVED

Beyond donating money, give your time and get involved to help our seniors. It is rewarding, recognized and meaningful to the seniors we serve everyday.

VOLUNTEER

Most of our services are volunteer-driven. From delivering meals to simply checking in on a senior, volunteers are needed. Ask to learn more.

BETTER TOGETHER

If you are part of an organization, church or group who wants to make a difference, we can help create a volunteer program for your organization.

ADVOCATE

By talking about issues facing seniors and sharing our content, you can help others see the problems seniors face and encourage others to get involved.
